RECOLLECTION

Gone are the days when every thought on school was bent;
Gone are the days when at school so many hours we spent;
Gone are the fears of exams and duties done;
Now high school life is over, but the school of life begun.

Many tender thoughts will come back with perhaps a sigh,
But our prayer will always be, "Long live Goshen High."
May nothing ever mar the beauty of these portals so dear,
But may love and light radiate for others each year.
